

# Start Meeting and get set up correctly

1. Go to the “Meetings” tab on the Zoom app
2. Select the correct meeting for the class
3. Click “Start”

Tick “Automatically join audio by computer...”  
Click “Join with Computer Audio”

Next, test that your audio settings are correct.

Click the up arrow next the microphone symbol in the bottom left had corner

Choose “Test microphone and speaker” from the list
